Enclosure & Cabinet Division

Water&electrical Services Meter cabinet

Power distribution box is switch, measuring meter, electrical for protection and accessory equipment to be assembled in a closed or semi-closed metal cabinet in accordance with demand of electric wiring connected. when normal running, circuit can be connected or current breaking by hand or automatic switch. it can show the all kinds of parameters when running by meter, some electric parameters can be adjusted as well, it will inform or discrete sampling for deflected status.

LV&HV cabinet

The switch cabinet is applied to the distribution system in the power plants, high-rise buildings, chemical industry, and petroleum, metallurgy and textile industries. In the large power plants and highly automated petroleum and chemical industries that require connecting with computers, it is used, as a complete low-voltage distribution equipment, for power distribution in the power generation and distribution system with three-phase AC frequency 50(60)Hz, 380V(415)(600) and rated current up to and including 4000A, and motor centralized-control and reactive power compensation.

GRP cabinet

Advantage:

1. 1/4 weight of metal box enables easy carriage and efficient work.
2. Corrosion-resistant and superior insulation.
3. Waterproof and dust-free product which gets through strict quality inspections.
4. Proved quality in many related tests (IP 66).

Electronic application:

- SMC meter boxes
- Cable branch boxes,
- Transforming and distribution boxes

Customized cabinet

Materials	Stainless Steel SUS201/SUS304/SUS316, SPCC, SGCC, SECC, ALZINC, SPHC, Aluminum Sheet 1100/6061, Aluminium panel 5052
Thickness	0.3/0.4/0.5/0.6/0.8/1.0/1.2/1.5/1.2/1.3/1.5/3.0/3.5/4.0/4.5/5.0
Size	Customized
Surface Finished	Powder Coating, Brushing, Polishing, Anodizing
Processing	Laser, bending, punching, shear cutting, welding and other CNC machines
Scope	Advertising light box, Electronic cabinet, Equipment cabinet, File cabinet, etc.

Steel Fabrication

All type of steel fabrication work

Steel Drawing Product

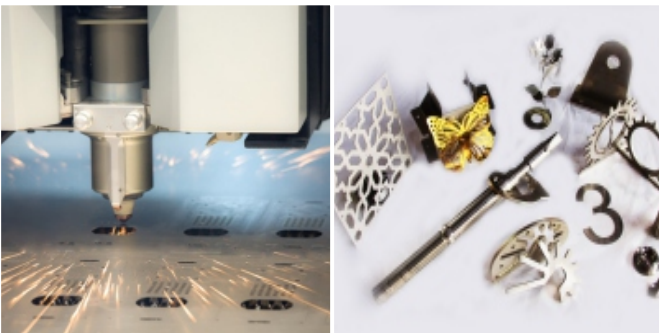

Punching, bending, shear cutting

stainless steel works

Laser cutting service

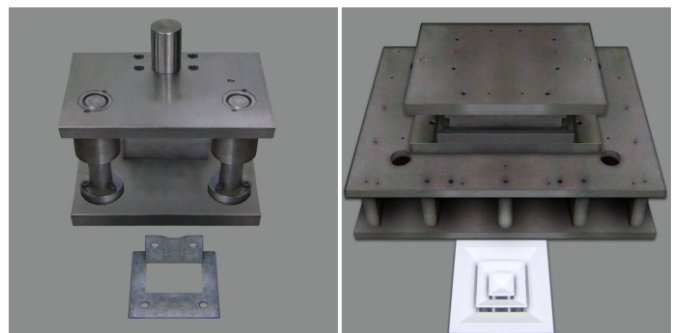

Powder coating service

Welding service

Steel Stamping Product
